

Why buy when you can loan from our extensive toy library?

TREATS resources and toys enable you to offer an extended range of play and development opportunities for your child or children without the expense of purchasing new toys and NO storage problems!

You may wish to:

- Loan a number of items for a party, wedding or christening
- Try before you buy
- Use toys to help your child develop a particular skill
- Loan a range of toys on a particular theme
- Supplement the resources of your group or setting
- Provide a 'surprise' element
- Encourage children to select their own toys and make choices
- Have a different selection of toys for your guests when they come to stay

Annual membership payable. Hire charges: 50p per item per week, some larger items £2.

We also sell a wide range of art & craft and activity items in our shop.

Healthworks

A wide range of Health Promotion resources are stored at TREATS. Check out the website or contact the Bere Regis HQ for further details.
