and Toy Store

TREATS NEWS

March 2009

Welcome to our first Newsletter of 2009!

Healthworks

FREE RESOURCES - just come and make your selection!

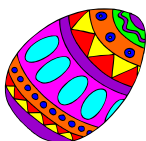

Our Healthworks section will be closing at the end of March. There are many teaching aids, learning packs and books on a wide range of safety, health and healthy living themes suitable for all ages. If you could make use of them please come along to TREATS and make your selection - there is NO charge! We cannot guarantee that these resources are exactly up to date but you may find them useful. We will be disposing of all items at the end of March.

Craft list and items for sale

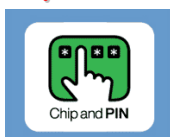

We have recently updates our list. If you would like a copy please either phone or email to request your copy. Copies will also be available in store when you visit. Items for Easter, Mother's Day and Spring are listed on the reverse of this newsletter. Remember you can order craft supplies over the phone and collect at your nearest TREATS Access Point. (All are subject to availability.)

Easter Egg Hunt

There will be an Easter Egg Hunt in our store throughout the Easter period - from March 31st - 16th April. Children who visit the store and count the number of eggs they can see will be rewarded with a certificate and an Easter Egg!

Payment by card

TREATS is now able to accept payments by card at the store and over the phone for amounts over £5.

There will be no charge for using a DEBIT card but we do have to add a charge of £1.50 per transaction when using a CREDIT card.

Welcome to Emma

Emma is working with us in the store on Thursdays. She is currently learning how we operate and becoming familiar with the systems. Emma has proved a great asset 'behind the scenes' and will soon be able to help you on the phone and in store.

TREATS Access Points

Since the last Newsletter we now have more TAPs operational:

Sherborne - Youth Centre - alternate Tuesdays but return by the MONDAY before collection.

Dorchester - Maiden Castle Children's Centre at the Prince of Wales School - alternate Thursdays

Gillingham - St Mary's Schoolrooms - alternate Thursdays

Stop Press! We hope that we can add Westham Children's Centre in Weymouth to our delivery route on alternate Mondays

For a list of all delivery dates please see the web page!

New items

There are many new additions to our range of toys and games which can be seen in our store. Newer resources include:

- Tree Blocks
- Table Football
- Doll's travel cot (+ doll)
- Indoor Sounds CD
- Outdoor Sounds CD
- Twistcarts
- Mini Sensory Boxes

AND we have another ball pool and even more soft play!
