

It's time to get ready for LINks in Dorset.

Local Involvement Networks (LINks) are coming to Dorset in 2008 and will give people a new way of having their say about local health and social care services.

- **Who will they represent?**
They will represent all of the different groups and types of people who live in Dorset.
- **Can I be a part of the LINK?**
YES! Anyone can be. You do not have to become a member to become involved.
- **Where is the money coming from?**
The Department of Health are giving Dorset County Council funding to find a 'host' organisation to set up and support the Dorset LINK.
- **How do I get involved?**
Look at our suggestions about the Dorset LINK and give us your ideas. Write your ideas on the form provided near this display and post it in the reply box.
